

Class Fees 2026-27

Monthly Direct Debits

- All class fees are to be paid by monthly Direct Debit using our provider, Go Cardless.
- This school year contains 35 weeks of term time classes.
- Annual cost is split into 10 equal monthly amounts, regardless of how many classes are in a given month.
- Monthly calculation is therefore: Weekly class costs x 35 / 10
- Direct Debits are taken on 1st of month from September to June
- First month's fees are pro-rated if starting partway through the year

Failed Direct Debits

If your Direct Debit payment fails, the amount due must be paid immediately by bank transfer plus a 5% administration charge (capped at £5). An invoice will be sent after we have been notified by Go Cardless.

Enrolment Fee

One-off fee of £10 for new starters after taster classes to fully enrol. Includes a Stage Factory t-shirt.
